

FDQ gateway requirements – acceptable evidence of mandated qualification achievement

A key part of a learner passing through gateway and onto EPA is the upload of evidence to FDQAwards. This document outlines the requirements for documents that are uploaded as evidence of achievement for mandated qualifications within an apprenticeship standard. Before learners are permitted to take their End Point Assessment, all Level 2 standards mandate that the learners must have achieved at least Level 1 English and Maths and must have attempted Level 2 English and Maths. Level 3 standards mandate that Level 2 English and Maths must be achieved. The tables below outline acceptable and equivalent qualifications for English and Maths requirements for Level 2 and Level 3. Where a standard contains additional mandated qualification(s), evidence of achievement of these must also be uploaded to FDQAwards before a learner can pass through the apprenticeship EPA gateway.

For overseas qualifications

Overseas qualifications will be acceptable where there is clear evidence, from NARIC (via a certificate/statement of comparability) that the qualification is an equivalent level to the minimum requirements for English and maths **and there is additional comparison information that confirm the qualification is an equivalent of GCSE English and/or maths (A* to C).**

Acceptable types of evidence:

In order for a learner to successfully pass through gateway, evidence of achievement of all mandated aspects of the apprenticeship must be uploaded onto FDQAwards. The table below gives guidance on the types of evidence that are deemed to be acceptable. If the type of evidence being uploaded is not named in the table below, please contact FDQ who will advise.

Personal Learning Record (PLR)	Statements of results
Screenshots of certificates from other Awarding Organisation portals (e.g City and Guilds Walled Garden)	Provisional recognition of achievement letters
Copies of PDF certificates from FDQAwards	Results on school headed paper
Good quality scanned copies of certificates	

Please always ensure that the qualification name, learner name and grade achieved are **clearly visible** on the evidence that is uploaded to FDQAwards otherwise it will not be accepted as a suitable piece of evidence
