

Cookie policy

Cookies are small files that are stored on your computer when you visit a website. The cookies store information and some of these can have privacy implications.

The cookies employed by FDQ are used for obtaining basic information which we use to enhance your visit to our website. Some of these last only for so long as you remain on our website and some are kept for repeat visits.

We only use cookies to administer our website, analyse data and track users' movements. None of the information stored allows you to be personally identified.

For further information visit: www.aboutcookies.org

Third party cookies

FDQ uses trusted service providers like Google Analytics to assist us in analysing data from visits to our website. We list below these third parties. If you wish more information on these cookies we recommend you visit the relevant website.

Partner name	What their cookies are used for
Google	FDQ use Google Analytics to gather statistics on how people interact and navigate the FDQ website. These statistics are used to make the website easier to use for its visitors.
Linked in	FDQ uses LinkedIn to bring you advertising both on and off the LinkedIn site, and bring customised features to you through LinkedIn plugins such as our share button.
