

FDQ Level 2 Certificate in Logistics Operations (QCF) (421-222)

FDQ suite number	Qualification title	Qualification approval number (QAN)	EQF Level	Review date
421-222	FDQ Level 2 Certificate in Logistics Operations	600/4388/X	3	30 th Sept 2016

Qualifications purpose

This qualification is designed for learners who are working in all sectors of a logistics environment. Its aim is to develop the broad range of skills required to work efficiently and to help increase business productivity. The qualification enables employees to demonstrate that they have the skills and knowledge needed to carry out their role to a professional standard. Developed from the NOS, which are based on real working practices, this qualification is designed to be embedded within a company's organisational procedures and business processes.

It provides the competence and knowledge elements of the Intermediate Apprenticeship in Logistics Operations.

Ofqual purpose D1 - Confirm competence in an occupational role to the standards required
